TERMS OF ADMISSION.

For admission to the Freshman Class, candidates are examined in the following studies :

Latin Grammar, including the Rules of Prosody and Scanning ; Cæsar's Commentaries, four books, or Sallust's Conspiracy of Catiline ; Cicero, six orations, including the four against Catiline ; Virgil, the Bucolics, and six books of the Æneid ; Arnold's Latin Prose Composition, to the VIIth Chapter.

Greek Grammar ; Xenophon's Anabasis, three books ; Homer's Iliad, two books ; Jones' Greek Composition, twelve lessons.

Ancient and Modern Geography.

Arithmetic ; Algebra, through Quadratic Equations ; and three books of Loomis' Geometry.

Real equivalents will be accepted in place of any of the Latin or Greek authors named above.

A thorough familiarity with the elements of the Latin and the Greek Grammars is an indispensable requirement for admission.

Students may be admitted to an advanced standing, provided that, in addition to the requisites for admission to the Freshman class, they are found, on examination, thoroughly acquainted with the several studies of the class which they propose to join. Candidates for such standing should, however, be informed that in consequence of the thorough discipline of the first College year, and the exactness of knowledge that is required of the student, no one can hope, if admitted, to maintain a respectable standing, unless he comes with a high degree of previous preparation. Indeed, it is highly important to the unity and completeness of a liberal education, that the students should enter College at the commencement of the course. The disadvantages incurred by those who postpone an entrance to a later period are much more serious than is commonly supposed.

Every student admitted to an advanced standing (with the exception of those who come from other colleges), is required to pay a fee of $5.00, if he enters after the expiration of the Fall Term of the Freshman Year; and of $10.00, if after the expiration of the Fall Term of the Sophomore Year.

Candidates for admission must bring a certificate of good moral character; and if from another college, of their regular dismission and good standing. When a young man has been examined and admitted to college, he is required to attend the prescribed exercises, and is subject to the laws of the Institution.

Instruction in the French Language is given during the Spring Term of the Sophomore Year. This study is made optional with Calculus.

During the Winter and Spring Terms of the Junior Year prominence will be given to the study of the German Language. Facilities will be afforded for further prosecuting these studies.

DECLAMATION AND COMPOSITION.

The Classes speak by divisions, in the Chapel, Saturday mornings, for which exercise the members of the two upper Classes are required to prepare original pieces. In all cases the speakers are prepared for the exercise by previous rehearsal before the Professor of Elocution.

Written Translations of Latin and Greek into English are required of the Freshman Class, until the close of the Fall Term. From that time onward, English Compositions are read.

RECORD OF MERIT.

A class-book is kept by each instructor, in which the character of each student's recitation is noted by numbers, and all absences from College exercises are minuted. Demerits for absences and other irregularities are also marked in like manner, and made the basis of discipline. At the close of each Term the average of these marks is recorded, and when desired, communicated to parents and guardians.

EXAMINATIONS.

At the close of the Fall Term there is a public examination of all the classes in the studies pursued during the Term. At the close of the Collegiate year the several classes are examined in the studies of

the year. The examination is protracted and severe, and is conducted in the presence of a committee of gentlemen appointed for the purpose, who report to the corporation respecting the proficiency and deportment of the students.

COLLEGE HONORS.

On the "Record of Merit," including recitations, examinations and fidelity, the Faculty, under the direction of the Corporation, have arranged a scheme of honorary appointments for Junior Exhibition and Commencement. They have aimed to devise a plan that will secure the advantages of honorable emulation, and, at the same time, avoid many of the incidental evils of College distinctions.

PUBLIC PERFORMANCES.

COMMENCEMENT on the first Wednesday in July. Notice is specially invited to this change, by which Commencement is to come nearly a month earlier than formerly.

Parkerian Prize Speaking on Tuesday evening; the Oration before the Phi Beta Kappa Society, Monday evening, and the Anniversary of the Associated Alumni, on Tuesday, before Commencement.

Exhibition of the Junior Class, at the close of the Winter Term.

CABINET, LIBRARIES, AND READING ROOM.

The Cabinet is designed chiefly for the benefit of the Classes in Natural History, but is accessible to all students. It contains a large number of specimens in Zoology, Botany, Mineralogy and Geology.

These specimens are all placed under their respective classes, and conspicuously labeled. Valuable accessions have been received from some of the Alumni, and the aid of others is requested.

The College Library now contains more than 12,000 volumes, and by a recent act of the Corporation a permanent fund has been established for its enlargement.

In addition to this, the Alumni have taken measures to secure a permanent Library Fund of $5,000. A considerable portion has all ready been subscribed, and the income will soon be available for the purchase of new books.

A College Reading Room is now is successful operation. The more important Periodicals are kept on file.

BENEFICENT FUNDS.

The Waldo Fund, given by the late Mrs. CATHERINE WALDO of Boston, and the Baldwin Fund, received from the estate of the late JOHN C. BALDWIN, Esq., of Orange, N. J., furnish liberal aid in payment of term bills of students. The income of these funds is used.

1. In cancelling term bills for tuition, room rent, and other charges, (except for the reading room,) of twelve students, three from each class, whose scholarship and deportment warrant such distinction.

2. In cancelling, the whole or in part, the term bills of such other students as are provided for by the terms of the legacies.

The income of the Warren Fund is applied in payment of the term bills of those who are preparing for the Gospel Ministry. Such students can also receive aid from the American Education Society, usually to the amount of $100 annually.

SCHOLARSHIPS.

A Scholarship Fund has been secured, which may be made available to those whose circumstances require it. The control of these scholarships is in the hands of individual proprietors, but young men of good character and correct deportment can usually obtain assistance from this source. These scholarships pay tuition—$45.00.

In addition to these, the following Scholarships recently provided by donations of $1.000 each, yield to the persons placed upon them by the donor, the sum of $60.00 a year, to be credited upon the term bills:

1. The "Fairbanks Scholarship," by THADDEUS FAIRBANKS, ESQ., of St. Johnsbury, Vt.

2. The "Fairbanks Scholarship," by THADDEUS FAIRBANKS, ESQ., of St. Johnsbury, Vt.

3. The "Levi Parsons Scholarship," by LEVI PARSONS MORTON, ESQ., of New York City.

4. The "Daniel O. Morton Scholarship," by LEVI PARSONS MORTON, ESQ., of New York City.

5. The "Penfield Scholarship," by ALLEN PENFIELD, ESQ., of Burlington, Vt.

It is to be understood that negligence or misconduct will forfeit beneficiary aid.

PREMIUMS.

The income of the Literary Fund, $44.00 a year, is awarded to one or more of the members of the College, whose scholarship and fidelity in the discharge of their duty may entitle them to such a distinction, and is credited on their term bills.

The Philosophical Prize of $15.00, arising from a fund given by Rev. GEORGE N. BOARDMAN, D. D., is awarded to a member of the Senior Class for the best Essay upon a subject in Philosophy to be assigned by the Professor in that department.

By the liberality of GEORGE W. WARE, JR., A. M., of Boston, a Gold Medal of the value of $50.00 is awarded to the member of each Graduating Class who is judged to excel in the composition and delivery of his Commencement Oration.

The Parkerian Prizes are given to the two of the four competitors in each of the three lower Classes, who on Parkerian evening are judged the best speakers.

A Botanical Prize of $20.00 is awarded annually in the Junior Class.
